I am having a great time doing the Imagine a World with More sermon series. There are opportunities for you to interact with ideas from the sermon on the prayer table that is in the narthex. Last Sunday there was a bin for collecting shoes for THRIVE. That bin will be there again this week. There will also be a bin for magazines that we are collecting for Terrye Williams for her to take to camp. There will also be a prayer prompt section.

I know some of you have found this useful. If you haven't stopped to look and participate, I invite you to do so.

We have three special opportunities to practice more compassion, community, and hope in August. The first event is a special worship experience on August 7: **Grief and Healing**. The sanctuary will be open from 3-6 and there will be a number of stations for you to experience. This is an interactive event: the stations are for you to use or not. Instructions and a list of stations will be available before you enter the sanctuary. The sanctuary will be silent so that those who are simply sitting and meditating as well as those at stations can be surrounded by the peace of the place. In this time of meditative worship, I hope you will find **More Compassion and More Hope**.

The second is also an event here at Hilton CC; we will invite our neighbors to join us in **Connecting to our Community**. This event will show case how we are at work in our community and offer ways for our neighbors to join us. There will be fun activities and lots of tabling events. We will soon have a line-up of all the participants. **More Compassion and More Community: where these are there is More Hope**.

The third is a special Sunday Worship. All six of the Hilton Churches will hold a joint worship service. This will be at 10am at the Methodist Church on the corner of Main and Warwick. Pastor Natalie and Tina Melusky of Trinity Lutheran will be preaching. We will have communion! There will be a blessing of students and teachers during worship. The offering will benefit THRIVE and LINK. **There will be no worship service at Hilton Christian Church that day**. This should show us much **More Community and much More Hope!**

There is another special event happening July 31, but that is listed separately. It is called Sacred Spaces and is an interfaith event.

I am excited for the many encouraging events that are planned. I know summer is both busy and the time most of us look for getting some down time. I hope that these events will be opportunities of refreshing and not just one more thing to do. Have a great week and remember to **stay hydrated**; it is July and the days are hot and humid.

Blessings, Pastor Natalie

School Supplies

We are again going to assist our teachers by getting the school supplies that they may need for the beginning of the year. I have sent a request to each of them asking for a “wish

list” of desired supplies. So far it looks like copy paper, pens, pencils, highlighters, glue sticks and similar items are needed. We are beginning to see school supply items in the stores already so please keep these teachers in mind when you are doing your shopping. If you have any questions, contact Susie Mowry at 757-870-7390.

Mission Dash: Motivation Mondays! Stories from partners in Africa

With the first-ever Mission Dash: Virtual 5k for Climate Justice beginning in a few weeks (August 1-31), Global Ministries is excited to introduce the *Motivation Monday* series. The series will feature stories from five regions of the world on the meaningful ways partners, individuals, and communities are addressing climate change. These stories are examples of the work around the world to be supported from the funds raised through this event.

In Zambia, the Green Church Project is planting trees to combat the effects of climate change.

If you have not already, we hope you will register and join us virtually in the month of August for the Global Ministries Mission Dash: Virtual 5k for Climate Justice! Together, we can make a difference around the world in addressing the most harmful impacts of climate change and caring for all of creation.

COLLECT SHOES

To make a difference

HCC will be participating in the 2022 Peninsula CROP Walk. In addition to the funds we raise to fight hunger both locally and globally, again this year we will be collecting shoes for THRIVE Peninsula to bring to the CROP Walk to make a 3-step difference:

1. **Create Jobs in Developing Nations**
2. **Raise Funds to Help Peninsula Families**
3. **Reduce Waste in our Are Landfills**

Who is THRIVE Peninsula?

THRIVE is a 501c3 non-profit that is a collaborative ministry of 80 Peninsula churches which centralizes resources to serve struggling families to avoid duplication of services. THRIVE provides 1-on-1 financial coaching, emergency financial assistance, food pantry services and more.

Pastoral Prayer
Lord's Prayer

*Our Father, who art in Heaven,
Hallowed be thy name. Thy Kingdom come.
Thy will be done, on earth as it is in Heaven.
Give us this day our daily bread.
And forgive us our trespasses,
As we forgive those who trespass against us.
And lead us not into temptation;
But deliver us from evil.
For thine is the kingdom, the power, and the glory,
Forever and ever. Amen.*
