Sunday was a special day in the life of the congregation. We voted to extend an invitation to Cathedral Word Ministries to share space with us. This is something new for us; we have always had other organizations using our space but this is the first time we will be sharing with a non-DOC congregation.

This is a partnership filled with wonderful possibilities. We will have the chance to make new friends, to find new ways of ministering to our community, to see the world through the eyes of others who love and serve the same God we do, and to be able to celebrate all that comes with diversity. It also means that we have financial resources to help balance our budget.

I expect there will be challenges; there always are when more people use the space, but I hope that you will focus on all the wonderful possibilities and not possible problems. There will times of shared worship and fellowship; I hope you will take advantage of these. We are a people who work hard to be welcoming and this is an opportunity to be welcoming of new people and all the possibilities that God has for us as we celebrate as God's people together.

I am excited to see what God has in store for us and for Word Cathedral Ministries. When God creates something new, the possibilities are endless.

*Blessings,
Pastor Natalie*

Welcome and Announcements

Call to Worship

Hillary Lane-Ramirez

One: We come to worship.

All: We drop our masks at the door.

One: The mask of self-sufficiency and sainthood.

All: The mask of perfectionism.

One: We come to worship God just as we are.

All: God who loves us just as we are. God, who alone makes us into what we were meant to be.

One: let us worship God!

Lord’s Prayer

*Our Father, who art in Heaven, Hallowed be thy name.
Thy Kingdom come. Thy will be done, on earth as it is in Heaven.
Give us this day our daily bread. And forgive us our trespasses,

but deliver us from evil. For thine is the kingdom, the power, and the glory,
Forever and ever. Amen.*
